AT04/22 Welcoming Ukrainian Families:

Residents have come together as an informal group, with the purpose of welcoming and hosting Ukrainian families. They provided an update on their progress and wished to explore how the Town Council might support the initiative. The issue of how the Town Council might achieve this, is an agenda item for full council on 25/4/22.

They were encouraged to form a more structured group and advised that they could then potentially seek funding via the TC Community Grant scheme.

The clerk advised that it would be possible to print a small number (20-30) Ukrainian flags for display in local.

AT05/22 Other Business: None.
